A Guide to Baltimore Architecture John R. Dorsey, James D. Dilts
From eighteenth-century mansions to urban high-rise buildings, this guide chronicles two hundred years of architectural history through an exploration of the city's most beautiful and significant structures. Grouped by neighbourhood in fifteen walking and driving tours, more than two hundred notable Baltimore buildings are pictured and described with commentary on their history and style. Thoroughly rewritten, the guide incorporates new photographs, maps, and tours as well as updated biographies of Baltimore architects. This edition also features a fresh examination of twentieth-century design in Baltimore by architectural historian Phoebe B Stanton.
