Song of Time [pb] Ian R. MacLeod

A man lies half-drowned on a Cornish beach at dawn in the furthest days of this century. The old woman who discovers him, once a famous concert violinist, is close to death herself... or a new kind of life she can barely contemplate. Does death still exist at all, or has it finally been obliterated? And who is this strange man she's found? Is he a figure returned from her past, a new messiah, or an empty vessel? Is he God, or the Devil?
