I Came

Walter C. Lanyon

I Came Walter C. Lanyon

"I Came" is the first book in a marvelous trilogy, including "That Ye Might Have" and "Life More Abundant." This outstanding series will show readers how it is possible to remove the negative patterns and masks of mortality and begin to put on the Permanent Identity. As one studies this book, "I Came" there will likely be a progressive sense of "putting on" a new Identity, with increasing freedom to rise above world beliefs of sickness and limitation in situations of duality. The author reveals how our contact with the Presence—the Christ-Consciousness—is essential to destroy the negative patterns which had been operating. As this conscious contact occurs, a new Life and Identity begin to emerge. "My good shall come to me" could well be a subtitle for this book's overriding message about setting in motion the way for readers to merge with the God-Self. The author makes it clear that this is every person's destiny: "The moment you make yourself one with any state of consciousness, you manifest easily and naturally all that that consciousness has to give forth" Once readers begin to glimpse the deeper Truth in this message, we find—"human thought cannot take this in. There shall be elevations so wonderful and so high that the imagination is lost in fields of Light." —Walter Lanyon
