I don't care what my cousin says; I am not the queen of impossible relationships. I mean, just because my last boyfriend tried to kill me and left a bit of a scar on my neck, then forced me to move across the country and legally change my name to Reese Randall to escape him, does not mean-

Oh, who am I kidding? For a freshman in college, I have to have the worst dating track record ever.

It's no wonder love is the last thing on my mind when Mason Lowe enters my life. But the chemistry between us is like bam! Our connection defies logic. And he's just so freaking hot. Being around him makes me feel more alive than I've ever felt before. I even like bickering with him. He could be my soul mate...except for one teeny tiny glitch.

He's a gigolo.

Boy, do I know how to pick them.
