As a veteran of the war in Afghanistan, Nick Angel has seen a lot. But now he sees almost nothing after being struck with PTSD-related blindness resulting from the trauma of his last tour. In an attempt to put the past behind him, he travels to Venice, Italy, with his fiancée, Grace, to recover, reconnect, and rekindle their love.

Despite his physical and emotional setbacks, Nick senses something dangerously amiss in Venice, and his hunch proves right when Grace is abducted right in front of him. Because all he can see are horrific visions in his mind's eye of the village casualties from his last mission, Nick will have to rely on his other heightened senses to discover what happened to his fiancée. To find the truth, he must be willing to open his eyes to the tragedies of his past and the ghosts that haunt him.
