Do you like to make sweet treats to share with friends and family as much as I do?

The Chinese cuisine has a lot of deliciousness to offer. When it comes to desserts though, the definition in China is a little different then what we're used to. We see dessert mainly as a sweet treat after dinner, whereas the Chinese don't reserve a separate part of a meal for eating dessert. In a way they eat dessert whenever they feel like it, either as part of a meal or as snack. Not bad, right?

I have shared some of the most popular and delicious desserts China has to offer. Go ahead and give them a try!
