Fanatics: Power, Identity and Fandom in Football

- * the role of FIFA and UEFA in the struggle for control of world football
- * manifestations of racism and extreme nationalism in football, from the English medias xenophobic coverage of Euro 96 to the demonisation of Eric Cantona
- * media representations of national identity in football coverage in Germany, France and Spain
- * the interplay of national, religious and club identities among fans in England, Scotland, Ireland, Portugal and Scandinavia
