It takes a warrior to stand tall and strong in an age of cynicism. Today, Stu Weber's ringing affirmation of godly manhood reestablishes a man's highest priorities. Brief chapters, salted with the author's stories, present the characteristics of tender warriors -- including watching out for what lies ahead, keeping commitments, and learning to speak the language of women. In his warm yet straightforward style, Weber shows how a man's strength can be tempered with tenderness, grace, and submission to God's Son, the ultimate Tender Warrior.
