Power (5 Book Series) Claire Adams

From Book 1: Twenty-nine year old brunette beauty, Amanda, is at the height of her short political career. After only a few years in Washington, she finds herself thrust into the role as head of the president's re-election campaign. It's a role that's perfect for her smarts, for her drive.

However, a stunning attraction to the married President Xavier Callaway is a roadblock on the road to her career that she didn't expect. As she finds herself growing closer to the mysterious, powerful man, she begins to lose sight of her true goals. But do goals really matter in the face of such stunning happiness?

Will the President of United States betray his wife with beautiful Amanda?

Will Amanda put her career at risk by sleeping with the president?

Is anyone in Washington to be trusted with their secret?

From reader reviews:

Jerry Carley:

Here thing why this particular Power (5 Book Series) are different and reputable to be yours. First of all looking at a book is good but it depends in the content of the usb ports which is the content is as delicious as food or not. Power (5 Book Series) giving you information deeper and in different ways, you can find any guide out there but there is no guide that similar with Power (5 Book Series). It gives you thrill reading through journey, its open up your current eyes about the thing this happened in the world which is perhaps can be happened around you. You can easily bring everywhere like in park, café, or even in your technique home by train. Should you be having difficulties in bringing the imprinted book maybe the form of Power (5 Book Series) in e-book can be your alternate.

Ronald Johnson:

Information is provisions for those to get better life, information currently can get by anyone with everywhere. The information can be a information or any news even restricted. What people must be consider when those information which is within the former life are difficult to be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you receive the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take Power (5 Book Series) as the daily resource information.

Lien Fugate:

A lot of people always spent their very own free time to vacation as well as go to the outside with them household or their friend. Do you know? Many a lot of people spent these people free time just watching TV, or playing video games all day long. If you wish to try to find a new activity that is look different you can read a new book. It is really fun in your case. If you enjoy the book which you read you can spent all day long to reading a publication. The book Power (5 Book Series) it is rather good to read. There are a lot of those who recommended this book. They were enjoying reading this book. In the event you did not have enough space to bring this book you can buy the actual e-book. You can m0ore simply to read this book from the smart phone. The price is not very costly but this book possesses high quality.

Gertrude Hoskins:

Are you kind of occupied person, only have 10 or 15 minute in your day to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you have problem with the book compared to can satisfy your short time to read it because this time you only find e-book that need more time to be study. Power (5 Book Series) can be your answer because it can be read by anyone who have those short free time problems.
