## **Reflections on my Life** Arnold Awoonor Gordon

For several years, Arnold's friends have been urging him to write his memoirs. He resisted in the past as he did not think his life was that interesting, or that people would want to read about it. But, having put pressure on others to write about their lives, Arnold decided that after attaining age eighty he should do so too. This is that story providing Reflections on various aspects of his colourful life without the aid of diaries. He hopes the reader will have an enjoyable read and would comment afterwards in Amazon Reviews and otherwise.
