As Josh embarks on his first novel writing adventure, he finds that his new hat has its own story to tell – of a time before history began – and is quite demanding of Josh's attention. As the story consumes him, Josh's life begins to unravel, and he soon finds he is unable to separate himself from the hat and the story. When the last page is written, Josh is left with more questions than answers...both about the story and his own life.
