It's also a chance to find a new direction for her life—one that doesn't include romance. So when rugged Wes McPhee shows up back in town, she has every reason to keep him at a distance...

Even unhappy memories can't keep Wes from returning to Lonesome Way to help his grandmother recover from an injury. And his fear of commitment isn't enough to make him resist the tantalizing heat that he feels whenever he's near Annabelle. But can a wandering man like Wes ever settle down? When an old enemy comes to Lonesome Way, and their dreams of love are threatened, Wes and Annabelle must fight for the future their hearts have always wanted.
