The River of God: Blessings from the Throne to the Uttermost Parts of the Earth (Free eBook Sampler) Russell M. Stendal

This world is in a state of constant unrest, but we must not be distracted from what God is doing now and in the future. God is patient, but soon He will restore His chosen people to a right relationship with Him, though this comes at a cost. All humanity will be affected. Your world will be changed in unprecedented ways and drinking from the River of God is the only answer.

The River of God opens with the river in the garden of Eden, defines God's plans through biblical prophecy, numerology, and typology, and culminates in Revelation with the pure river of life proceeding from the throne of God for His people.

Are you ready to stand firm during the coming tumultuous times? Discover your strength in the waters that flow from the River of God.

About the Author

Russell Stendal, a former hostage of Colombian rebels, is a lifelong missionary to that same group in the jungles of Colombia. He is an influential friend to military and government leaders in Colombia, Cuba, Mexico, Venezuela, and the United States. Russell's ministry shares the gospel via twelve radio stations, hundreds of thousands of Bibles, books, and movies distributed through airplane parachute drops, and numerous speaking engagements for groups of leaders, prisoners, and individuals. Russell goes wherever the Lord leads, whether it's to speak with a president or go deep into the jungle to help an individual in trouble. He has witnessed thousands commit their lives to Christ.
