## **Germany (Premium)** Sebastian Wagner

From the Brandenburg Gate and Neuschwanstein Castle to the Hamburg harbor and Munich's Oktoberfest, this guide highlights the numerous landmarks and festivals to be discovered in Germany. The Dresden Zwinger, Franconia's half-timber villages, Cologne Cathedral, and countless other churches are also captured along with more than 20,000 castles and fortresses. The country's patchwork of unique landscapes, picturesque villages, and bustling metropolises is beautifully depicted in these images, and the history of the region's great poets, architects, and artists as well as their created treasures of German art and culture are presented, surrounded by spectacular natural settings. Celebrating the land's customs and festivals, this travel companion also follows its famous rivers, such as the Rhine and Danube, and climbs its mountains, from the Zugspitze to the Watzmann. Additional features comment on the construction of medieval castles, the most powerful trade organization of the Middle Ages—the Hanseatic League, on King Ludwig II and his fairy tale castles, and on two stimulants that are equally popular—wine and beer.
