A little Bag Ladies magic makes math language fun! Integrate math language into your elementary classroom with these hands-on activities. Students learn national math standard skills as part of literature-based make-n-take projects. Projects, ideas, literature links, and blackline masters make this a must-have resource that enriches the language-arts block and helps you teach the language of math to all your students. Sprinkle some Bag Ladies magic in your classroom and watch how well students master the language of math.
