Megan Bryce, a junior and self-proclaimed wallflower seems hidden in the vast sea of students at her high school. When her father receives a promotion at work, the family must move, and Megan comes face-to-face with the reality that her senior year of high school will be at Pierce-Hamilton High. Far from her best friend, Lisa, Megan must make new friends. According to Lisa, the move is the opportunity of a lifetime. She can now reinvent herself into whoever she wants to be, and Lisa has just the plan to do it. But this move brings with it more than the opportunity to rebuild her popularity.
