Yes, there was a time that Leo was everything I wanted. We were deeply in love, soulmates ready to conquer the world. Charming, passionate and drop dead gorgeous, he had the most intense green eyes I'd ever seen. I'd never let him go... That was until he ended things out of the blue. My world shattered and I locked my heart away forever. For years I've been hurting over him, never feeling satisfied with anyone new.

Then one snowy day in Colorado he returns...The pain is so intense it knocks me over. I can't risk giving myself to him again. Could he have really come back just for me?... <
