"The Teachings of Osho and Tony Samara Revealed" is a fascinating read and a first book by Wahido Marata. It is written with honesty and transparency and is his personal journey on a quest for spiritual enlightenment. If you enjoy authors such as Florence Scovel Shinn (The Game of Life and How to Play It), Dr. Joseph Murphy (The Power of your Subconscious Mind) and Wayne Dyer (The Shift), then this is definitely a book for you and one that you will want to pick up again and again. The reader follows his journey in seeking for meaning in life outside of the normal dictates of society. He tells us of his discovery of the teachings of Osho and of meeting Tony Samara who has become his living spiritual teacher. By the end of the book you have a real feeling of knowing him, of understanding his struggles as they are the same ones we all face, and a feeling of gratitude that he has perhaps made our journey to enlightenment that little bit easier by his words.
