Revenge was never this much fun...

From the get go, the feuding neighbors are at war, especially when Romeo mistakes Juliet for the hot stripper his friends have ordered for him for the night. And then, when she gets the movie star arrested by mistake? Well... things go further down the drain from there.

But when Juliet accidentally causes Romeo to lose his memory and the handsome movie star mistakenly believes she's his wife, their worlds flip upside down. After all, she has to move in with the bad boy to play along until he gets well.

But does he really have amnesia?

No, of course not! He's just faking it to get his revenge on the sexy troublemaker next door and make her his slave. She needs to pay for what she's done to him... and pay *BIG TIME*.

But can he really go through with his madcap plan, especially when she kisses like sweet heaven and feels so right in his arms?
