Daniel : God's Propagandist: Seedbed of the Maccabean Revolt Henry Lander

This book takes the biblical Book of Daniel, supposedly written at the time of the Babylonian Exile around 600 BC, and shows why it was actually written 450 years later with the express intention of galvanizing the Jews to throw off the oppressive Greek Seleucid rule, now celebrated in the Jewish Festival of Hannukah.

This unusual take on the Book of Daniel, the Revolt of the Maccabees, the Hasmonean and Herodian rulers of Judea in the first centuries BC and AD, and the Book's critical influence on the moulding of early Christian ideas and thinking, provides a continuous thread to explain why Christianity evolved from orthodox Judaism.
