How to Become a Great Manager Alexander Evengroen

Margaret Armatage and her fourth husband, Colin, fell in love, travelled the globe, planted gardens, entertained friends and proved that there is plenty of life after 60. When Colin died and Margaret found herself on her own again, she decided that she would not remarry. Four husbands, two of the best, Ted and Colin, and two of the worst, Jack and Lou, were enough for her. Shaky at first, she then set out to prove that she could live the single life and enjoy it. Now in her eighties, she is still seeing the world, still living in her own home and, as she has done throughout her life, living on her own terms! This is the story of Margaret and her fourth husband, and her life after Colin died.
