Skills and Techniques for Reading French

Louise C. Seibert, Lester G. Crocker

Skills and Techniques for Reading French Louise C. Seibert, Lester G. Crocker

This book offers a tested method for teaching yourself to become proficient in reading French, quickly building your vocabulary, and enabling you to extract meaning without word-for-word translation. If you have had two years of high school or one year of college French, it will enable you to read with ease and enjoyment French periodicals and newspapers, or works in your special field of interest.

Designed for auxiliary use outside the classroom, the book offers systematic training in those special skills and techniques which promote efficient reading. It can be used independently by the student who has acquired a modest vocabulary, and a rudimentary knowledge of grammar and sentence structure.

"This book is not another reader, but rather a reading manual, new in its approach, tested and tried in the classroom. It aims to give systematic training in the skills and techniques necessary for reading French?skills that are not taught by any of the usual readers."?from the Foreword

From reader reviews:

Clarence Nelson:

Nowadays reading books be a little more than want or need but also get a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The info you get based on what kind of publication you read, if you want send more knowledge just go with training books but if you want sense happy read one along with theme for entertaining for instance comic or novel. The actual Skills and Techniques for Reading French is kind of reserve which is giving the reader unstable experience.

Brian Crowe:
