The teaching guides developed for Elementary schools were created to support 5th grade American history content standards and learning frameworks. They present lesson ideas for each chapter and also groups of chapters called Parts. Part activities help to set context for reading and present overview concepts for the chapters, as well as introduce timeline and map concepts to help frame understanding. Part summaries include project and activity ideas. Chapter lessons are presented in an Ask-Discuss-Write format and focus heavily on nonfiction literacy skill and reading comprehension concepts. In addition, each Chapter lesson includes additional activities to reinforce reading skills, vocabulary retention and differentiated instruction.
