Mountain Ash Margareta Osborn

From bestselling author Margareta Osborn comes another scintillating rural romance with a devastating love triangle twist.

After years of struggling as a single mother, Jodie Ashton has given up on love and passion. What she craves now is security for herself and her beloved daughter Milly. And marriage to widower Alex McGregor, the owner of the prosperous Glenevelyn cattle station in East Gippsland, will certainly offer that. If only he wasn't so much older *and* so controlling.

Needing space to decide her future, Jodie reluctantly agrees to a girls-only weekend at the Riverton rodeo .

Meanwhile, cowboy Nate McGregor vows off women, after his latest one-night stand costs him his job in the Northern Territory. Perhaps it's time to head back to his family home, Glenevelyn, to check out for himself the 'gold-digger' his father seems determined to marry.

But first, on his way through Riverton, he plans to stop off at a rodeo.

Two lives are about to collide in one passionate moment - with devastating results...

From reader reviews:

Jennifer Jones:

Do you have favorite book? In case you have, what is your favorite's book? Book is very important thing for us to understand everything in the world. Each reserve has different aim as well as goal; it means that reserve has different type. Some people really feel enjoy to spend their time for you to read a book. They are really reading whatever they have because their hobby is reading a book. Think about the person who don't like studying a book? Sometime, man or woman feel need book when they found difficult problem or perhaps exercise. Well, probably you should have this Mountain Ash.

Jose Gower:

In this particular era which is the greater individual or who has ability to do something more are more treasured than other. Do you want to become one among it? It is just simple solution to have that. What you are related is just spending your time not very much but quite enough to possess a look at some books. One of many books in the top collection in your reading list is usually Mountain Ash. This book and that is qualified as The Hungry Slopes can get you closer in getting precious person. By looking right up and review this e-book you can get many advantages.

Charles Collier:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Mountain Ash can make you feel more interested to read.

Beth Johnson:

What is your hobby? Have you heard that question when you got scholars? We believe that that question was given by teacher on their students. Many kinds of hobby, All people has different hobby. And you know that little person just like reading or as looking at become their hobby. You have to know that reading is very important in addition to book as to be the thing. Book is important thing to incorporate you knowledge, except your own personal teacher or lecturer. You will find good news or update in relation to something by book. Many kinds of books that can you go onto be your object. One of them are these claims Mountain Ash.
