Slaying Dragons: The Truth Behind the Man Who Defended Paula Jones John W. Whitehead

"When I took on the Jones case, I had no idea that this lawsuit would lead to a virtual civil war which pitted core values-truth and integrity, morality, and monogamy-against national interests in privacy and perhaps the very rule of law. I had no idea that Paula Jones' sexual harassment lawsuit would lead ultimately to the impeachment of the President of the United States." *Slaying Dragons* is the story of John W. Whitehead. An inspiring story of how God claimed this pot-smoking rebel Marxist and turned his life around. It also includes the inside story of the factors that led Whitehead to take on one of the most controversial lawsuits of our time.
