Klaus Mikaelson. The Original. The Hybrid. And in his own words - pure evil...

After centuries of living a life of bloodshed and violence, the last thing Klaus expects to do is fall in love. That is, until he meets Caroline Forbes.

They are wrong for each other in every way; he's the Prince of Darkness, while she is Miss Mystic Falls. And yet with every day, he finds that his love for her is changing him and everything he is.

Now, more than anything else, he wants to be her last, great love, but with all the evil he's done, can Caroline ever truly love him?

And even if she does, is it enough to overcome the soul shattering event that began his descent into darkness over nine hundred years ago?
