## **Unleashed Fury: The Political Struggle for Dog-friendly Parks (New Directions in the Human-Animal Bond)** Julie Walsh

The question of whether dogs should be allowed off the leash in public places has become a major political issue in cities and suburbs across the United States. In the last two decades, “leash-law disputes” have burst upon the political scene and have been debated with an intensity usually reserved for such hot-button issues as abortion and gun rights. This book investigates what has changed in American community life, social mores, and the relationship between humans and dogs to provoke such passionate responses. At its heart, the book details and evaluates the handling of three leash-law disputes, all of which were exceedingly divisive and emotionally intense. This book is not only a revealing study of Americans’ conflicted attitudes toward animals and the difficult balance between individual rights and the public good in our communities, it is also a useful source of information for both dog owners and local government officials.

#### **Curtis Swasey:**

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Unleashed Fury: The Political Struggle for Dog-friendly Parks (New Directions in the Human-Animal Bond) can make you sense more interested to read.
