All nine of the goodnight poems you will find in this book are filled with love and affection that will inspire your children, making them feel very special and important.

The poem "Strana Snov" will take you on an exciting adventure to a land of fantasy. You can peek in a warm cozy stable while reading the poem "Noch na Ferme" and watch the animals sleep. In the next poem you will try to catch the "Son" together with a little girl who was determined to seize him before falling asleep. The poem "Zvezdochki" will introduce you to some new shiny friends who cannot wait to spend some time playing with you. "Razgovor" is the poem that will tell you about some of your mom's secret dreams that she treasures deep in her heart. There are also poems "Novyi God", "Snezhinki", "Kotyata"... Each of them is wonderful in its own way.

Every page in this book is illustrated. The beautiful colorful illustrations go along with the words.

These poems are meant for parents to read to their little ones while putting them to bed - the best time for bonding and heart-to-heart conversations.

Children, ages two to five, would be the perfect audience for this book.
