This International Harvester model Roosa Master Diesel Injection Pump Service Manual (Pumps Used on 460D, 560D, 660D, 606D, 706D and Various Other Engines) is a digitally enhanced reproduction of the original manufacturer-issued Shop Manual. It shows 106 pages of critical technical information and instruction for your Injection Pump. Written in the language of a mechanic, it was originally sent to the dealer's service department to provide enough detail for major repairs and complete overhauls. It illustrates how to correctly disassemble your Roosa Master, fix it, and reassemble it. This is an indispensable tool if you are in the middle of or thinking about comprehensive repairs or a full restoration. Even if you already own an original Service Manual that's in good shape, you will find our value-added content, such as post-publishing updates, corrections, serial number info and additional machine detail extremely useful.
