## **Ori (The Metaphysical Foundations of Ifa Book 4) Fa'lokun Fatunmbi**

How do I learn my purpose in life?

What does God want for me?

How can I fulfill my potential?

While Awo Falokun Fatunmbi touched on Ifa's perspective of these issues in previous books, in Ori he covers them on a whole new level. The Ifa Model of Consciousness fills holes in Western models of Self/Higher Self/God and empowers living a life fully aligned with our higher self and spirit. The illusion of separation is stripped away and the obvious truth becomes clear:

We are spiritual beings having a physical experience.

Ori offers tools to incorporate these deep understandings into a balanced life filled with all of the blessings that were intended us from the womb. Joy, Love, Children, Health & Wealth are our Spiritual rights. Unlike some Faiths which may see them as distractions, Ifa sees these earthly blessings as symptoms of living in alignment with spirit. Learn to have these symptoms too!
