**A month ago, I risked everything with a bet that should have made Jack Hayden mine. But now I think I've truly lost...**

All my life, I've fought for everything I want. That's earned me a place as the only female member of the Hellfire Riders MC. It's given me thirty nights with the Riders' dangerous warlord. It's given me hope for so much more.

Yet when Jack abandons my bed before the thirty nights are up, the pain of fighting for more time in Jack's arms just isn't worth the risk anymore. Because I can't expose any vulnerability, especially now that the Devil's Hangmen are making a play for Rider territory—and Jack can lay my heart wide open so easily...
