## **Strategic Management in the Third Sector** Roger Courtney

Drawing on the unique academic and professional experience of its author, *Strategic Management in the Third Sector* provides a comprehensive introduction to the strategic development of voluntary, community and social enterprise organisations. Roger Courtney introduces students to the different ways of thinking about a third sector organisation and its external environment, including strategic thinking and analysis, and strategy formulation and implementation.

### Key Features:

- Comprehensive case study coverage, focusing on a wide variety of non-profit organisations
- Provides genuine insight into the practical implications of managing in the third sector
- Identifies a wide range of strategic models and tools that are of value to the development of third sector organisations
- Considers the latest developments in social enterprise
- Written by a leading expert in the field

*Strategic Management in the 3rd Sector* is an essential text for all students of voluntary and third sector management, charity and social enterprise management, voluntary sector studies, charity management and public service management.
