The Expert's Guide to Veterans Benefit Robin Alford

"Helping veterans to receive their rightly deserved benefits has always been a daunting task. The biggest problem that pretty much all veterans can agree upon is that the system in place for our veterans today is like a giant maze with unforeseen perilous traps around every corner. Some of the other major problems that exist are that the majority of veterans and their families rarely know all of the benefits they are eligible to receive, how and where to apply for them, and which documentation is necessary to support their claims for each benefit. "The Expert's Guide to Veteran's Benefits" can help. By explaining in easy to understand terms, how to identify and overcome the numerous barriers that often stand in the way of receiving your rightly deserved veterans benefits. Explaining in careful detail how the system works, and teaching veterans how to avoid the time consuming and often costly mistakes, before they make them."
