The Hazards of Sex on the Beach Alyssa Rose Ivy

One broken heart, one drink too many, one steamy night in the sand...

No one warns you about the dangers of drinking with a broken heart. At least no one warned me. I never imagined I'd fall for a musician, especially not one like Chase, but then again I never expected to have my heart broken into a million pieces by the frat guy I thought was the love of my life.

Sometimes it's the rash decisions, like hooking up in the sand, that lead you to the best places—the kinds of places where it's possible to let yourself fall in love again
