## **As We Await the Blessed Hope: A Catholic Study of the End Times** Mark Kyriakos

In *As We Await the Blessed Hope*, the author lays out the traditional teaching of the Catholic Church (and mainstream Christianity as well) on the End Times, all the while emphasizing his general theme that the great events at the close of the Old Testament age (*c.* AD 30-70) are a *type* of the events we will witness during the closing years of the New Testament age. By simply considering Scripture from a traditional Catholic worldview, the work soon becomes an effective eye-opener and paradigm-shifter, especially in light of modern and current events, while at the same time serving as an antidote to the extraordinary theological fictions that now dominate discussions of the End Times in North America. Thoroughly Catholic, ecumenical, traditional and revolutionary, this seminal and unique work (grounded in the Bible, the Catholic Catechism and the Fathers of the Church) is essential reading for all serious Christians, and especially for those interested in the study of the End Times.
