Vanessa Birdle gets lost one evening during a storm after watching a baseball game late into the night. The weather is stormy and visibility is bad as she heads back to her newly acquired ranch and she misses her road and takes a wrong turn, leading her to a wild part of the frontier. She could hear wild animals howling outside and she freaks out even more when her engine suddenly sputters and dies. She began to freak out, especially when she saw red fierce eyes in the dark of the night. Suddenly something happens so fast and the wild animals disappear. Before she can tell what is happening, Ethan Parker walks out of the darkness and helps her fix her car, explaining that he lives nearby. He is the captain of the baseball team that she was cheering, a handsome guy with an athletic body.

Ethan Parker is a baseball player and also a lion shifter. After a Friday match, he decides to head off to his ranch, where he can be himself without the fear of humans finding out his real identity. While running out in the rain, he sees a woman in distress and goes to her rescue. She turns out to be a sexy woman that gets him turned on in every way. He helps her back to his house and they end up making love. She later finds out that he is a lion shifter and is intrigued by the idea.
