Spiritual Warfare: Victory over the Powers of this Dark World Timothy M. Warner

This timely and important book provides Christians with the information--and ammunition--they need to engage in spiritual warfare. The author shows from the Scriptures that God's people can defeat the enemy because of the character of God, the certainty of His promises, our authority as His people, and--most of all--the victory Christ has already won.

The author doesn't see a demon behind every bush, but neither does he minimize the spiritual conflict. With great balance and sensitivity, he urges the Church to not only withstand the attacks of the enemy, but to storm his gates and bring as many captives as possible into the Kingdom of the God of love.

"Spiritual Warfare is desperately needed! I wish every Christian would read it and put it into practice." -- Warren W. Wiersbe

"Must reading for those desiring to walk in their victory over darkness." --Mark I. Bubeck, President, International Center for Biblical Counseling

"For all of us in the thick of the battle, this enlightening and scriptural book will prove to be an indispensable field manual." --George Grant, Executive Director, Coral Ridge Ministries

"I was very encouraged by Spiritual Warfare. If we as Christians will read, understand, and practice the life-changing principles presented in this book, not only will our lives be changed, but together we will dramatically change the world." --Rick Keenan, Founder, Abundant Life Ministries
