The Beetle

Richard Marsh

The Beetle Richard Marsh

A classic tale of supernatural horror. Richard Marsh's novel *The Beetle* is the story of a British statesman, Paul Lessingham, who is haunted by his youthful indiscretions in Egypt. A shape-shifting figure follows him from Egypt, intent upon getting revenge on Lessingham. The characters are well drawn: Paul Lessingham, a budding cabinet minister with an ominous gap in his past; lovely Marjorie Linton, a witty New Woman caught between her Radical lover (Paul) and her Tory father; madcap young scientist Sydney Atherton who also adores Miss Linton and is meanwhile working on weapons of mass destruction for the glory of the British Empire; Robert Holt, down-and-out clerk who falls into the clutches of the Beetle.
