The Snow Lay On the Ground: Seasonal Arrangements for Organ and Piano Lani Smith

In a very accessible but musically satisfying and heartwarming fashion, Lani Smith again displays his innate creativity and artistic understanding of the organ and piano genre. Incorporating six familiar but less often heard carols, we are treated to inspiring settings using the full colors of both organ and piano to create fresh and artful sounds of the season for concert or worship use. Durations are included to aid in programming, and two copies are required for performance.
