David Yellen, Chuck Klosterman

**Too Fast For Love: Heavy Metal Portraits** David Yellen, Chuck Klosterman

Rocking on tour with America's heavy metal superstars—Kiss, Poison, Iron Maiden, Slaughter, Ted Nugent, Dokken, and Cinderella—photographer David Yellen tailgated among the headbangers, metalheads, burnouts, and self-styled fanatics waiting for the show or hanging around backstage hoping to meet their idols. The results are a captivating record of Yellen's trip to metal's Shangri-la.

In 2000, Yellen drove more than 30,000 miles across America in his red Nissan 300 ZX—from Michigan to Miami, from Pennsylvania to Omaha—to relive a treasured part of his past, a time of innocence and rebellion when women had big hair and rock stars stood on stage as if they were Greek gods: he traveled back to the glory days of the “Hair Bands.” In *Too Fast for Love*, Yellen captured a moment frozen in hairspray chock-full of mullets, bleached perms, spandex cat suits, denim cutoffs, more pleather than you can imagine, leopard, tiger, and snake prints, ripped fishnets, bare breasts and hairy chests, studded belts and bracelets, G-strings and platforms, pierced nipples and tongues, raccoon eyes, press-on nails, and hyper lip liner. Bang your head to this!
