A Few Good Thoughts: Short Quotes for Everyday Life Dave Ball

Throughout history, determined men have stood out from the crowd, their thoughts the quintessential wisdom of the ages. Their reflections, actions, and resolve can encourage our thinking, challenge us to improve ourselves, expand our vision, bring hope to bleak situations, inspire our very lives.

We can take great consolation in the fact that someone else has confronted difficulties – often far greater difficulties than we encounter – yet endured, and often prevailed. By spending just a few minutes absorbing the distilled wisdom of others, we can avoid a great deal of misfortune in attempting to learn those same lessons by trial and error.

The quotes are arranged by topic; each topic can easily be accessed from the table of contents, or the book can be read from front to back. I have been a manager for over four decades, an adjunct professor at a well-known university for twelve years, and a Sunday School teacher to adults for more than 48 years – these short quotes are drawn from these and other sources over many years. I hope you will find them inspiring and encouraging.
