A Handweaver's Pattern Book [Revised Edition, April 1951] Marguerite Porter Davison

Stated Revised edition. A modern handbook of four-harness patterns for weavers of all types, whether amateur or professional. Contains three hundred and forty-five threading directions ranging from simple twills to complicated techniques. All are small patterns which may be woven on a sixteen inch warp if so desired, except one chapter of very large patterns. Each design is given many treadlings. These are illustrated with over twelve hundred weavings - all personally made. Directions are set down in a simple diagram.
