Alpha Falls - BBW Paranormal Werewolf Shape Shifter Myths: Alpha Wolf BWWM Interracial - Significance Episode 3 Millie Tate

In episode three, Elise Gamble again finds herself in a precarious situation. The man she now knows as Isaiah has revealed himself to be not human. He is a Hermon, a being who can transform from beast to human and vice versus depending on the phase of the moon. If this were not enough, he has just revealed to her the point of origin for all such creatures, as well as all humanity. Or so he claims.

After another simmering night at Alpha Fall, Elise finds herself struggling with reality. There is a definite bond forming between herself and Isaiah. But the nightmare she had lying next to he means more than just overwhelming terror. Something dark approaches and threatens not only the land and her love. It threatens her as well. Now, answers must be sought elsewhere from an old friend of Isaiah. But just when she thinks she might be understanding, her vision comes to reality. Isaiah's worst nightmare plays out like the night terror Elise experienced. Once again, Isaiah has transformed. This time, it happened when it should not, before those who should not have seen, and for reasons yet unexplained.

Now, the woman who found a nightmare needs some answers. But she will not find them on this night. New questions have trumped older ones. Who is the knowledgeable man that Isaiah seeks? Can he help her discover what the nightmare means? What is her role in its design? And most import of all, can one change the vision so that Isaiah and she can build some semblance of a normal life together?

Alpha Falls is an ongoing, episodic journey into the world of the fairy tale with modern day twists and turns, and just a hint of something beyond.
