Discovering Gurdjieff Dorothy Phillpotts

This book is very valuable. Today, there are too many books on the Work that are either deliberately impersonal and as a result are just a re-explaining of basic ideas which are already there in Ouspensky. Or else, the purely subjective 'what I felt, what I experienced'. Dorothy strikes a good balance, because the subjective experience in this context is the ground through which precious memories of the Work in its early and soon-to-be forgotten period can be shared. Peter Brook (Author, Film and Theatre Director)

"Discovering Gurdjieff" is more than just a memoir, it is an at times painfully honest account of one woman's quest to find answers to the questions that troubled her from an early age, and ultimately to discover a philosophy of life by which she might live. Along the way, she examines various religions, but it is not until her introduction to Gurdjieff's work through the 1941 lectures of J.G. Bennett, the essence of which she reproduces in his original words, that her search is rewarded. However, the unique element of this book is her description of the way meetings with Gurdjieff himself, along with her fervent study of relevant works, gradually enabled her to discover herself.

From reader reviews:

Mollie Walker:

Book is definitely written, printed, or highlighted for everything. You can learn everything you want by a publication. Book has a different type. As it is known to us that book is important factor to bring us around the world. Close to that you can your reading talent was fluently. A guide Discovering Gurdjieff will make you to end up being smarter. You can feel more confidence if you can know about every thing. But some of you think that will open or reading some sort of book make you bored. It is not make you fun. Why they can be thought like that? Have you seeking best book or acceptable book with you?

Mario Rice:

In this 21st one hundred year, people become competitive in every way. By being competitive at this point, people have do something to make all of them survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that often many people have underestimated that for a while is reading. Yep, by reading a guide your ability to survive improve then having chance to stand than other is high. In your case who want to start reading any book, we give you this kind of Discovering Gurdjieff book as beginning and daily reading reserve. Why, because this book is more than just a book.

Juanita Jones:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the teacher want, like asked to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Discovering Gurdjieff can make you really feel more interested to read.

Mildred Brummett:

Reading a e-book make you to get more knowledge as a result. You can take knowledge and information from a book. Book is composed or printed or highlighted from each source which filled update of news. With this modern era like right now, many ways to get information are available for a person. From media social like newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just seeking the Discovering Gurdjieff when you needed it?
