The Tapper Twins Go to War (With Each Other) Geoff Rodkey

This brand-new series by a popular screenwriter is a pitch-perfect, contemporary comedy featuring twelve-year-old fraternal twins, Claudia and Reese, who couldn't be more different...except in their determination to come out on top in a vicious prank war! But when the competition escalates into an all-out battle that's fought from the cafeteria of their New York City private school all the way to the fictional universe of an online video game, the twins have to decide if their efforts to destroy each other are worth the price.

Told as a colorful "oral history" by the twins and their friends, and including photos, screenshots, chat logs, online gaming digital art, and text messages between their clueless parents, *The Tapper Twins* is a hilariously authentic showcase of what it's like to be in middle school in our digitally-saturated world.
