Patricia Carter:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this
