Dancing at the Odinochka Kirkpatrick Hill

Nearly 150 years ago, when Alaska belonged to Russia and was called Russian America, Erinia Pavaloff lived at the Nulato odinochka on the banks of the Yukon River. Owned by the Russian American Company, an odinochka was a trading post where native people traded their furs for precious Russian supplies. Erinia is always busy - learning to make fur clothing, emptying buckets of snow into water barrels, helping Mamma, gathering spruce boughs to make fish traps, and grinding paint for a new canoe. It seems that Erinia works all the time. So she can hardly wait for visitors - the company men who bring stock for trading, or the Indians who come to fish or sell furs. When visitors come, Erinia and the others are delighted to listen to old stories and music, and everyone dances at the odinochka. Life has a good sameness that Erinia counts on . . . until the day when American Western Union Telegraph men arrive. Sent up north to build a telegraph line, the men bring news of the outside world, new inventions, and customs unfamiliar to Erinia's people. Everyone at the odinochka listens to the Americans' stories, learns their funny songs, and dances the waltz that the telegraph men teach them. But as suddenly as they've come, the telegraph men leave - their telegraph line abandoned - and Erinia is bereft. Word comes that the United States has purchased Russian America from Russia; Erinia and her people have become American Alaskans. Their lives will never be the same, as they struggle to find their place in this American world that doesn't care about the old ways. Will there ever again be dancing at their odinochka? Inspired by a five-page memoir written in 1936 by the real Erinia Pavaloff, a relative of the author's stepfather, *Dancing at the Odinochka* is a stunning story of family, culture, and hope that will leave no reader untouched.

From reader reviews:

Brian Davis:

As people who live in the actual modest era should be upgrade about what going on or info even knowledge to make these individuals keep up with the era that is always change and make progress. Some of you maybe can update themselves by studying books. It is a good choice for yourself but the problems coming to you actually is you don't know what one you should start with. This Dancing at the Odinochka is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

Dena Jacobs:

This Dancing at the Odinochka is great reserve for you because the content and that is full of information for you who all always deal with world and get to make decision every minute. This particular book reveal it facts accurately using great manage word or we can point out no rambling sentences in it. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but challenging core information with attractive delivering sentences. Having Dancing at the Odinochka in your hand like keeping the world in your arm, details in it is not ridiculous just one. We can say that no guide that offer you world throughout ten or fifteen minute right but this publication already do that. So , this is certainly good reading book. Hi Mr. and Mrs. hectic do you still doubt this?

Casey Reeves:

As we know that book is very important thing to add our information for everything. By a publication we can know everything we really wish for. A book is a pair of written, printed, illustrated or blank sheet. Every year has been exactly added. This reserve Dancing at the Odinochka was filled regarding science. Spend your time to add your knowledge about your research competence. Some people has different feel when they reading a book. If you know how big advantage of a book, you can really feel enjoy to read a e-book. In the modern era like today, many ways to get book that you simply wanted.

Harold Young:

E-book is one of source of information. We can add our understanding from it. Not only for students but also native or citizen require book to know the update information of year to be able to year. As we know those guides have many advantages. Beside many of us add our knowledge, could also bring us to around the world. By the book Dancing at the Odinochka we can consider more advantage. Don't you to definitely be creative people? Being creative person must prefer to read a book. Merely choose the best book that acceptable with your aim. Don't always be doubt to change your life at this time book Dancing at the Odinochka. You can more pleasing than now.
