Why would God create us with such strong appetites for pleasure if He didn't intend for us to indulge them? Oscar Wilde gets to ask Jesus Christ this question in Ravi Zacharias's fictional dialogue -- the second book in the dramatic Great Conversations series. Wilde, a witty author and conversationalist who committed his life to the pursuit of pleasure, is the ideal person to argue with Jesus about this perplexing issue. The two historical figures think out loud about beauty, Blaise Pascal, and the Bible in a sparkling interchange that will fascinate and enlighten readers.
