Children of the Program Mr. Brad William Cox

A murderous cult threatens the enlightenment of tomorrow, as 12 strangers, plucked from various parts of the world, are awakened and brought together by a divine calling. The chosen ones, selected for The Program, are sent on a mission to expand human consciousness, by finding the true meaning of love. This quixotic narrative is turned on its head when the lines of divinity and anarchy are blurred. Intertwining reality with fiction, it's up to the reader to decide where the truth lies. The Program is due to reset, but not before their story is told. www.facebook.com/childrenoftheprogram www.childrenoftheprogram.com
