Complementary/Holistic Medicine for Bile Duct Cancer - It's Your Life, Live It! Michael Braham

Many alternative methods for treating cancer have been used. However, only recently in the last two decades have many of these methods and newer breakthroughs gained notoriety and public attention throughout the world.

People have tried conventional treatments with great success, but are still looking for complementary alternative treatments to reduce side effects, increase overall feelings of well-being and triumph over this disease.

Some are looking to complete a treatment program to fight cancer consisting only of alternative methods, and of these people, some may not know where to start.

This alternative treatment book, describes in great length and with excellent clarity many innovative alternative cancer treatments currently available, treatments with no or very little side effects. These are effective alternatives for reversing all stages of cancer including advanced cases.

We provide an overview of all the latest treatments, some controversial at this time, general alternative guidelines for fighting cancer, and a list of physicians across the U.S., Canada and internationally who can provide these treatments or point you in the right direction for obtaining them.

Many factors contribute to the development of cancer and it can take many treatment approaches to obliterate it.
